Tim did thorough job inspecting our newly constructed home. Glad that we hired him, many things found that the builder would have likely ignored.

Project: [Inspect a Home](#)

I selected TRW Home Inspections, LLC to complete an inspection of my mother's home following a ceiling collapse. I was more than pleased with my experience. Tim Wilson exuded a professionalism and courtesy that made me feel at ease about the dilemma in my mother's home, explaining things very clearly, and concisely. Tim is highly qualified, was thorough in his inspection, including customer care before his visit. He is quite passionate about his work, and someone whose services I would use again, or refer.

Project: [Inspect a Home](#)

Tim was VERY thorough! I honestly didn't know what to expect blindly hiring a Home Inspector online but must say he exceeded the expectations of both myself and my Real Estate Agent. You will definitely know everything you need to know (and where it is) about your new home with Tim. I really can't say enough good things about this experience. He was there early, checked every little detail and was great about explaining this I honestly knew nothing about! Highly recommended!
